REMARKS

Favorable consideration of this application, as presently amended, is respectfully

requested.

By the present preliminary amendment a new Abstract believed to be in more proper

formal under United States practice is submitted herewith.

Further, claims 1-15 are canceled without prejudice and new claims 16-30 are

presented for examination. New claims 16-30 are deemed to be self-evident from the original

disclosure, including the original claims, and thus are not deemed to raise any issues of new

matter. Further, new claims 16-30 are not believed to be more narrow in scope in any aspect

in comparison with canceled claims 1-15.

The present application is believed to be in condition for a full and thorough

examination on the merits. An early and favorable consideration of the present application is

hereby respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,

MAIER & NEUSTADT, P.C.
